

AMBER INTERNATIONAL SCHOOL, THANE

ANNUAL REPORT OF ACADEMIC YEAR (2025-26)

It is a valued tradition to pause and reflect on a year defined by purposeful achievements, countless triumphs, and meaningful milestones. As we present the Annual Report of our school—a comprehensive reflection of academic progress, co-curricular excellence, and holistic development we also look ahead and renew our commitment to progress with confidence and optimism, being grateful to the Almighty for His enduring blessings.

It is rightly believed that **“Education is the art of preparing young minds not just for a career, but for life itself.”** It nurtures intellect, instils values, and paves the way for a meaningful and forward-looking future.

This report encapsulates our collective journey of perseverance, innovation, and achievement, highlighting the growth of our students, the dedication of our teachers, and the unwavering support of our parents and management in nurturing a vibrant learning community. I express my sincerest appreciation to our mentor, Mr. Lakshman Kadam, the Managing Committee and Trustees for their visionary guidance. The pains and efforts they take to ensure the provisions in the best interest of school is something worth mentioning. From having our schools own fleet of buses to Space Lab, Sir’s attention to the minutest of details inspires and motivates us to give our best.

It is well believed that the most valuable asset of any educational institution is its human resource. Our school is strengthened by an enthusiastic and dedicated team of 89 teachers across the Pre-Primary, Primary, Secondary, and Senior Secondary sections. They are ably supported by 41 ancillary and support staff members. Complementing this is our robust transport department, introduced last year, comprising 28 members. The seamless coordination among all staff members ensures the smooth functioning of the school and fosters continuous growth.

CBSE BOARD RESULTS

“Determination is the driving force that turns goals into achievements!”

The outstanding board results showcase the dedication and academic prowess of our students, bringing pride to our institution. Our students' remarkable performance in the board exams is a testament to their perseverance and commitment to excellence.

GRADE X ACHIEVERS
